† For categories containing multiple-choice items, Raw Points Earned are the number of questions answered correctly. For categories containing constructed response items or essays, the Raw Points Earned are the sum of the weighted ratings awarded.

‡ The range of scores earned by the middle 50% of a group of examinees who took this form of the test at the most recent national administration or other comparable time period. N/C means that this range was not computed because fewer than 30 examinees took this form of the test or because there were fewer than 8 questions in the category or, for a constructed-response module, fewer than 8 points to be awarded by the raters. N/A indicates that this test section was not taken and, therefore, the information is not applicable.
